

# Harpoon

## Scubba

Verse 1:

This will take some explaining but I think you will agree  
There is no use pretending that there's hope for you and me

Chorus:

And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon

Like a harpoon

Like a harpoon in my heart....

Like a harpoon

Like a harpoon in my heart

Verse 2:

Yeah

I can handle the fighting, it's the affection I can't stand  
And I don't mind us talking, just don't try and touch my hand

Chorus

Verse 3:

When you left I didn't want you back  
But now your gone so won't you come right back

Come right back

x 5

Chorus

Why does it hurt

Simple matters don't seem worth

We're the same

but it's not happe

ning again

Chorus
