

Crazy Dreams

[Patsy Cline](#)

I had a dream last night that I held you
And you still seemed as handsome to me
But when I awoke I found you missin'
It's just another crazy dream for me Crazy dreams linger on as I face an empty dawn
With no end to it all can I see
For I've surely reached the end
Lost your love to a friend
Just another crazy dream for me Once you were mine and we were so happy
I never thought that the end soon would be
But now that you're gone and I'm so lonesome
It's just another crazy dream for me Crazy dreams linger on as I face an empty dawn
With no end to it all can I see
For I've surely reached the end
Lost your love to a friend
Just another crazy dream for me
