

We Came To Smash (In A Black Tuxedo) (Feat. DEV)

[Martin Solveig](#)

You clap your hands, you're turning heads
Jumping ship, jumping on my bed
You're ? into my room ? the way the night
I turned off my light, I turned off my light.
So watch me baby follow me lead
Taking ? take what you need
You came to smash it all,
What we got to lose
In the black tuxedo and shining shoes. We came to smash smash
We came to smash
We came to smash smash
We came to smash
Smash, smash
We came to smash In black tux
In black tux
We came to smash smash We came to smash in black tux
We came to smash smash
In the black tuxedo. It's not you've late, I swear it's not
? sleep ? drop up your car in the parking..
Take a ? spot
The streets ? walk
Come ? if you wanna talk
? got no bars it's dark in here ?
So I can disappear. We came to smash smash
We came to smash
We came to smash smash
We came to smash
Smash, smash
We came to smash In black tux
In black tux
We came to smash smash
We came to smash in black tux
We came to smash in the black tuxedo.
