

# Just An Illusion (Instrumental)

## Imagination

Searching for a destiny that's mine  
There's another place another time  
Touching many hearts along the way yeah  
Hoping that I'll never have to say It's just an illusion, illusion, illusion Follow your emotions anywhere  
Is it really magic in the air  
Never let your feelings get you down  
Open up your eyes and look around It's just an illusion, illusion, illusion Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now  
Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now Could it be a picture in my mind  
Never sure exactly what I'll find  
Only in my dreams I turn you on  
Here for just a moment then you're gone It's just an illusion, illusion, illusion Illusion, illusion, illusion,  
illusion Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now  
Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now Could it be that  
Putting me back  
Could it be that  
Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now Could it be that it's just an illusion  
Putting me back in all this confusion  
Could it be that it's just an illusion now
