

My Coloring Book

Perry Como

If you admire coloring books and lots of people do
I've a new one for you, a most unusual coloring book
The kind you never see, crayons ready, crayons set
Begin to color me These are the eyes that watched her
As she walked away, color them gray
This is the heart that thought
She would always be true, color it blue These are the arms that held her and touched her
Then lost her somehow, color them empty now
This is the tie I wore, until you came in between
Color it green This is the room I sleep in
And walk in and weep in
And hide in, that nobody sees
Color it lonely, please
