

I Couldn't Help It If I Tried (2000 Remaster)

Dexys Midnight Runners

You gave me your ace card
I gave you my time
Was confused
Said I'd stash it with mine
You keep on calling
I won't give anymore

Held out your greasy hand
It slipped away
Could have cried
Could have saved you this time
You keep on calling
Won't give anymore

If there is someone
Point, point, point, someone
Point out that someone
Who thinks like I see

If there is someone
Oh, don't you know that these things before

You held out your greasy hand
It slipped away
Could have cried
Could have saved you this time

Break it up, break, break, break, break, break, break, break, break
Show me, show me, show me, show me, show, me, show me, show, show, show
Na na, na na, na na, na na, na na, na na, na na, na na, ha aa aa aa

If there is someone
Point, point, point, someone
Point out that someone
Who thinks like I see

If there is someone
Point it out, point it out, point it out, point it out
If there is someone

Who thinks like I see

If there is someone
Ouch, someone, oh-oh-oh

Someone

Who thinks like I see
