

2 Dreams I Had

Joy Zipper

Today I walked past some flowers
And for the first time in four years, they smelled as beautiful as they did before you were gone

Two dreams have told me you've moved on

From that boring place

Where you had to work it all out

Before you moved on

This never happened to me and I don't know what you did wrong

The sixty-three dollars feels like a million in tears

Ba da ba ba ba

Ba da ba ba ba

Why am I so sad, I'm sadder

Than before, maybe its cause I know you can't come back

Even though you never could

Two dreams have told me you've moved on

From that boring place

Where you had to work it all out

Before you moved on

This never happened to me and I don't know what you did wrong

The sixty-three dollars feels like a million in tears

Ba da ba ba ba

Ba da ba ba ba

This never happened to me and I don't know what you did wrong

The sixty-three dollars feels like a million in tears

Ba da ba ba ba

Ba da ba ba ba

Ba da ba ba ba

Ba da ba ba ba
