

American Idiot [multimedia track]

Green Day

Don't want to be an American idiot
Don't want a nation controlled by the media
And can you hear the sound of hysteria?
The subliminal mind-fuck America

Welcome to a new kind of tension
All across the idiot nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

Well maybe I'm the faggot America
I'm not a part of a redneck agenda
Now everybody adhere to propaganda
And sing along to the age of paranoia

Welcome to a new kind of tension
All across the idiot nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

Don't want to be an American idiot
One nation controlled by the media
Information age of hysteria
It's calling out to idiot America

Welcome to a new kind of tension
All across the idiot nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue
