

# Older

## Aereogramme

Dance to sound or delight  
Hold these parts with her  
All her love in your hands  
Could be mine forever Taking it slowly now  
Common affairs  
Are weaker than you know  
I'm older  
And maybe wiser  
I'm old enough to  
Save something Save, something  
Save, something, yeah  
Save, something  
Save, something, yeah
