

I Can't Get Over You

Damien Jurado

I've been tryin' for a long, long time
But no matter what I do
When I turn to leave my heart stays behind
'Cause I can't get over you
I keep movin' on, runnin' hard and fast
But everywhere that I run to
I'm just standing still, livin' in the past
'Cause I can't get over you
If memories were like the leaves that fall
The wind would have carried them from my mind
The seasons pass but they never change
A broken heart can't keep time
If memories were like leaves that fall
The wind would have carried them from my mind
The seasons pass but they never change
A broken heart can't keep time
While I watched as colors faded in the sun
The color of my love stays true
I've been letting go now but I'm not holdin' on
I just can't get over you
I just can't get over you
