

# I'm Alright

## Ugly Kid Joe

My hair's a mat and I don't shave  
My wife just left today  
I bet you think that I'm the only reason  
I don't get out, my life's a bore  
And no one ever calls  
I drink alone, that's how I spend my evenings I'm alright  
I'm OK  
I don't need your sympathy  
I'm alright  
I'm OK  
I wouldn't have it any other way  
Ain't got no girl to call my own  
No pictures on the wall  
I only live alone with all my demons  
My rent ain't due, my bills are paid  
And I don't work today  
Just then I awoke and I was dreamin' I'm alright  
I'm OK  
I don't need your sympathy  
I'm alright  
I'm OK  
I wouldn't have it any other way I'm alright  
I'm OK  
I don't let it get me down  
I'm alright  
I'm OK  
You know I never see the light of day  
I like to tell a story  
About my life of crime  
No need for fame or glory  
I've left that far behind  
And if you need an answer  
I've nothin' much to say  
My life is moving faster  
And the Devil finds his way I'm alright  
I'm OK  
I don't need your sympathy  
I'm alright  
I'm OK

I wouldn't have it any other way I'm alright

I'm OK

I don't let it get me down

I'm alright

I'm OK

You know I never see the light of day
