Tick Tock

Stevie Ray Vaughan

One night while sleeping in my bed
I had a beautiful dream that all the people
Of the world got together on the same wavelength
And began helping one anotherNow in this dream universal love was the theme of the day
Peace and understanding and it happened this wayThe sick, the hungry had smiles on their faces
The tired and the homeless had family all around
The streets and the cities were all beautiful places
And the walls came tumblin' downPeople of the world all had it together
Had it together for the boys and the girls
And the children of the world look forward to a futureRemember tick tock, tick tock
Tick tock people, time's tickin' away
Remember that tick tock, tick tock
Tick tock people, time's tickin' awayI had a vision of blue skies from sea to shining sea
All the trees in the forest stood strong and tall again
Everything was clean and pretty and safe for you and me
The worst of enemies became the best of friendsPeople of the world all had it together
Had it together for the boys and the girls
Children of the world look forward to a futureRemember tick tock, tick tock
Tick tock people, time's tickin' away
Remember that tick tock, tick tock
Tick tock people, time's tickin' awayRemember that, remember that
Remember that, remember thatPeople of the world all had it together
Had it together for the boys and the girls
Children of the world look forward to a futureRemember tick tock, tick tock
Tick tock people, time's tickin' away
Remember that tick tock, tick tock
Tick tock people, time's tickin' away
