Don't Do It Again

Ace Troubleshooter

Don't do it again, girlCan you hear yourself?
A saner man would run from the things
Coming out your mouth
Your voice is all barbed wire and it stingsDon't do it again, girl, again girl, no
(No, no)
Don't get all crazy and begin, girl
(No, no)
To think it over
Yeah, it's all inside your headGet your head checked out
Because you're psycho, psycho
So when you're all worked out
Won't have to worry 'bout you being locoDon't do it again, girl, again girl, no
(Again girl)
Don't get all crazy and begin, girl
(Begin girl)
To think it over
Yeah, it's all inside your headAs the days go on
And you say, "Don't worry
Don't complain, we're all the same"
But you're crazyDon't do it again, girl, again girl, no
(Again girl)
Don't get all crazy and begin, girl
(Begin girl)
To think it over
Yeah, it's all inside your headDon't do it again, girl, again girl, no
(Again girl)
Don't get all crazy and begin, girl, begin, girl
(Begin girl)
To think it over
Yeah, it's all inside your head
