

# Whoever You Are

## Geggy Tah

All I wanna do is to thank you  
Even though I don't know who you are  
    You let me change lanes  
    While I was driving in my carWhoever you are  
I wanna thank you whoNow, all I wanna do is to exit  
    So, I go to where I can get off  
    On a curve, through the shoulder  
There's no parking in that troughSo, I drive around all day  
    Coming atmospheric haze  
    Till I wanna get on again  
Then all I have to say isAll I wanna do is to thank you  
    Even though I don't know who you are  
    You let me change lanes  
    While I was driving in my carWhoever you are  
I wanna thank you whoAll I wanna do is to tune in  
    Radio L.A. Lujah  
    'Cause we're broadcasting live  
And we wanna hear all of yaOn the mic is Geggy Tah  
    But a whole lot more of all of ya  
    Let us hear ya, let us hear ya  
In a big echoing hollaAll I wanna do is to thank you  
    Even though I don't know who you are  
    You let me change lanes  
    While I was driving in my carWhoever you are  
    I wanna thank you who
