

Snape Vs Snape

Ministry of Magic

*Verse 1 (Jason the Hero)

There was a time when you could not trust me.
And there was a time when darkness was all I could see.

But now there are no layers of evil left to shed.
And if he heard me sing this song, I would be good as dead.

*Pre-Chorus (Luke the Headmaster)

People can change.
People can change.
They can turn their back and run.
People can change.
People can change.
Iâ€™m sorry for all the things Iâ€™ve done.

*Chorus (Brittany, Luke, and Kristina)

People donâ€™t change.
People donâ€™t change.
Once a Death Eater, youâ€™re always one.

People can change.
People can change.
They can turn their back and run.

People donâ€™t change.
People donâ€™t change.
Stop running. Itâ€™s you youâ€™re running from.

Itâ€™s you youâ€™re running!

*Post-Chorus (Kristina, Jason, and Brittany)

FROOOOM.
AHHHHH, OHHHHH
Itâ€™s you youâ€™re running!
FROOOOM.

AHHHHH, OHHHHH

*Verse 1 (Aaron the Auror)

Now the Dark Mark, it has appeared on me.
Lord Voldemort, he calls, but I want to be free.
From all the evil I have seen and I have done.
So, please believe, itâ€™s over. The good in me has won.

*Pre-Chorus (Luke the Headmaster)

People can change.
People can change.
They can turn their back and run.
People can change.
People can change.
Iâ€™m sorry for all the things Iâ€™ve done.

*Chorus (Brittany, Luke, and Kristina)

People donâ€™t change.
People donâ€™t change.
Once a Death Eater, youâ€™re always one.

People can change.
People can change.
They can turn their back and run.

People donâ€™t change.
People donâ€™t change.
Stop running. Itâ€™s you youâ€™re running from.

*Post-Chorus (Brittany, then Kristina, Jason, and Brittany)

FROOOOM.
FROOOOM.
Itâ€™s you youâ€™re runningâ€!
FROOOOM.
Itâ€™s you youâ€™re running from.
AHHHHH, OHHHHH

*Chorus (Brittany, Luke, and Kristina)

People can change.
People can change.
They can turn their back and run.

People can change.
People can change.
Iâ€™m sorry for all the things Iâ€™ve done.

People donâ€™t change.
People donâ€™t change.
Once a Death Eater, youâ€™re always one.

Maybe I canâ€™t,
Canâ€™t really change,
I canâ€™t turn my back and run.

People donâ€™t change.
People donâ€™t change.
Stop running. Itâ€™s you youâ€™re running from.

I wonâ€™t change,
Iâ€™ll never change,
Lord Voldemort has won.

*End (Aaron)

Lord Voldemort he callsâ€
Lord Voldemort he callsâ€
Lord Voldemort he call
