

Crack In The Union Jack

Suede

Draw the blinds and watch the show

Heard it on the radio

Saw it on the news today

Heard the lonely people say

There's a great big crack

In the Union Jack

There's a great big crack

In the Union Jack

Another day, another low

Another midday TV show

Saw it on the news today

Heard the lonely people say

There's a great big crack

In the Union Jack

There's a great big crack

In the Union Jack

In the Union Jack
