Gotta Find You

Camp Rock

Every time I think I'm closer to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But know one ever seems to understandI need to try to get to where you are
Could it be, you're not that far?You're the voice I hear inside my head
The reason that I'm singin'
I need to find you, I gotta find youYou're the missin' piece I need
The song inside of me
I need to find you, I gotta find you, oh yeahYou're the remedy I'm searchin' hard to find
To fix the puzzle that I see inside
Painting all my dreams the color of your smile
When I find you it will be alrightI need to try to get to where you are
Could it be, you're not that far?You're the voice I hear inside my head
The reason that I'm singin'
I need to find you, I gotta find youYou're the missin' piece I need
The song inside of me
I need to find you, I gotta find you, oh yeahBeen feelin' lost, can't find the words to say
Spendin' all my time stuck in yesterday
Where you are is where I wanna be
Oh, next to you and you next to me
Oh, I need to find you, yeahYou're the voice I hear inside my head
The reason that I'm singin'
I need to find you, need to find you, I gotta find youYou're the missin' piece I need
The song inside of me
I need to find you, I gotta find youYou're the voice I hear inside my head
The reason that I'm singin'
I need to find you, need to find you
I gotta find you, gotta find youYou're the missin' piece I need
The song inside of me
I need to find you, I gotta find youYeah, yeah I gotta find you
