

# I Still Wanna Know (feat. Rivers Cuomo)

RAC

Life is a mystery, are you with me?  
There's so much more to explore  
What makes the stars shine and the vines climb?  
I still feel kinda unsureGot everything  
Got everything  
Clinging each others ears  
Got everything  
To say, to sing  
They took everything from meI still wanna know  
I've been around the world  
I've gone from bad to worse  
I heard them tell me to let go  
Yeah, I still wanna knowI asked the 8-ball and the Ouija  
Show me under the veil  
Baby, I'm Ahab, out of rehab  
Chasing after the whale  
I've been beaten down  
I've been pushed around  
I'm a stupid clown, oh yeah  
I've been filthy rich  
I've been down in a ditch  
But I still come back for more'Cause I still wanna know  
Wanna touch, wanna feel, wanna taste  
Wanna heal, wanna turn at the real  
Yeah, I still wanna know  
Wanna ride, wanna drive, wanna laugh  
Wanna cry, wanna dream tonightYeah, I still wanna know  
I've been around the world  
I've gone from bad to worse  
I heard them tell me to let go  
Yeah, I still wanna knowThrow in the towel  
Never raise a white flag  
Never cash in your chips  
Till you're satisfied, till you're satisfiedYeah, I still wanna know  
I've been around the world  
I've gone from bad to worse  
I heard them tell me to let go  
I still wanna know  
I've been around the world

I've seen all kinds of love  
I heard them tell me to let go  
I still wanna know Still wanna know  
Still wanna know  
Still wanna know  
Yeah, I still wanna know  
Still wanna know  
Still wanna know  
Still wanna know
