

Be In Love

Chrisette Michele

I can do it, I can do it
I wanna be in love Love wasn't good
Last time I tried
Kinda fatal
Lost my pride
I'm a trooper
I'm alright
I wanna love again, try one more time
I can do it Be in love
Yea, I'm gonna do it, yea I'm gonna do it again
Think of what you say to me, think of what you say to me when I'm alone
Yea I wanna be, yea I wanna be straight forward
I'm a fall in love all over
Yea, I wanna be in love I'm a hold my head up
I won't give in
I'm a share my all again
Love rock my world
Not afraid to fall again
I wanna love again, try one more time
I can do it Be in love
Yea, I'm gonna do it, yea I'm gonna do it again
Think of what you say to me, think of what you say to me when I'm alone
Yea I wanna be, yea I wanna be straight forward
I'm a fall in love all over
Yea, I wanna be in love Love is gonna come on back
It's gonna hold me down
It's gonna put me first days time
Love is gonna feel so right
Gonna love up high, it's gonna put me high
Try one more time
I'm gonna be in Be in love
Yea, I'm gonna do it, yea I'm gonna do it again
Think of what you say to me, think of what you say to me when I'm alone
Yea I wanna be, yea I wanna be straight forward
I'm a fall in love all over
Yea, I wanna be in love Be in love
Yea, I'm gonna do it, yea I'm gonna do it again
Think of what you say to me, think of what you say to me when I'm alone
Yea I wanna be, yea I wanna be straight forward

I'm a fall in love all over
Yea, I wanna be in love
