Golden City

Devour the Day

Walk a line, live a life for the right price
Dress up in your Sunday best
Dirty little secrets kept in the basement
Feel the place and get it off your chest
On high he's forgiven us
You can waste every day on fear
Get high on deliverance
Stack your paper till your conscience clearsSell your soul to the Golden City
Pray to the light try to keep that shine
Sell your soul to the Golden City
Act like you know where you go when you die
Be a man, put your hand on the good book
Suit and tie when you testify
You're a fake, you're crook, take a good look
How the hell do you sleep at night?
On high he's forgiven us
You can blame every day on sin
Get high on deliverance
Stack the money till he lets you inSell your soul to the Golden City
Pray to the light try to keep that shine
Sell your soul to the Golden City
Act like you know where you go when you die
Sell your soul to the Golden City
Pray to the light try to keep that shine
Sell your soul to the Golden City
Act like you know where you go when you die
I wanna know, I wanna know, I wanna know
Where will you go when you die
I wanna know, I wanna know, I wanna know
Where will you go when you die
Sell your soul to the golden city
Pray to the light try to keep that shine
Sell your soul to the golden city
Act like you know where you go when you die
