

Nadine (Is It You?)

Chuck Berry

As I got on a city bus and found a vacant seat,
I thought I saw my future bride walking up the street,
I shouted to the driver hey conductor, you must slow down
I think I see her please let me off this bus Nadine, honey is that you?
Oh, Nadine
Honey, is that you?
Seems like every time I see you
Darling you got something else to do I saw her from the corner when she turned and doubled back
And started walkin' toward a coffee colored Cadillac
I was pushin' through the crowd to get to where she's at
And I was campaign shouting like a southern diplomat Nadine, honey is that you?
Oh, Nadine
Honey, where are you?
Seems like every time I catch up with you
You are up to something new Downtown searching for 'er, looking all around
Saw her getting in a yellow cab heading up town
I caught a loaded taxi, paid up everybody's tab
Flipped a twenty dollar bill, told him 'catch that yellow cab Nadine, honey is that you?
Oh, Nadine
Honey, is that you?
Seems like every time I catch up with you
You are up to something new She move around like a wave of summer breeze,
Go, driver, go go, catch 'er for me please
Moving through the traffic like a mounted cavalier
Leaning out the taxi window trying to make her hear Nadine, honey is that you?
Oh, Nadine
Honey, is that you?
Seems like every time I see you
Darling are up to something new
