I Almost Do

T. Swift

(Verse 1)
I bet this time of night you're still up
I bet you're tired from a long hard week
I bet you're sitting in your chair by the window looking out at the city
And I bet sometimes you wonder about me
(Chorus)
And I just wanna tell you it takes everything in me not to call you
And I wish I could run to you and I hope you know that
Every time I don't I Almost Do, I Almost Do
(Verse 2)
I bet you think I either moved on or hate you
Cause each time you reach out there is no reply
I bet it never ever ever occurred to you
That I can't say hello to you and risk another goodbye
(Chorus)
And I just wanna tell you it takes everything in me not to call you

And I wish I could run to you and I hope you know that
Every time I don't I Almost Do, I Almost Do
(Bridge)
Oh, we made quite a mess baby
It's probably better off this way
And I confess baby
In my dreams you're touching my face
And asking me if I wanna try again with you
And I Almost Do
(Chorus)
And I just wanna tell you it takes everything in me not to call you
And I wish I could run to you and I hope you know that
Every time I don't I Almost Do, I Almost Do
I bet this time of night you're still up
I bet you're tired from a long hard week
I bet you're sitting in you're chair by the window looking out at the city
And I hope sometimes you wonder about me
