

# Paper Hearts

[Arrica Rose](#)

Goodbye Love,  
You flew right by love, Remember the way you made me feel  
Such young love but  
Something in me knew that it was real  
Frozen in my head Pictures I'm living through for now  
Trying to remember all the good times  
Our life was cutting through so loud  
Memories are playing in my dull mind  
I hate this part paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget about it Everything is gray under these skies  
Wet mascara  
Hiding every cloud under a smile  
When there's cameras  
And I just can't reach out to tell you  
That I always wonder what you're up to Pictures I'm living through for now  
Trying to remember all the good times  
Our life was cutting through so loud  
Memories are playing in my dull mind  
I hate this part paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget I live through pictures as if I was right there by your side  
But you'll be good without me and if I could just give it some time  
I'll be alright Goodbye love you flew right by love Pictures I'm living through for now  
Trying to remember all the good times  
Our life was cutting through so loud  
Memories are playing in my dull mind  
I hate this part paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget
