

Jia

Omar Mukhtar

Dhuwan ura hai na janay kahan se
Meri gali main yun urta lehra ke
Teri khusbo hai us main yun samayi
Jo lagti to dharkan meri yun than jati

Prem patr aya hai
Teray hi ghar se aya hai
Naam uska mahi hai
Uska hi jado hawi hai
Meri zuban par tu hi hai
Har sans main tu hi hai
Meray honton ki pyas Jo hai woh pyas meri

Bhujao Ray piya
Yeh dil tera hogya
Tu meri subha ki roshni
Aor raton ka woh chand
Teri sanson ki garmi khenchay mujhe tere paas
Teri madham si ankhain
Kar dain mujhe beqarar
O re Jiaa...
O Mahiyaa..
Ho re Jiaa...
O Mahiyaa..

Woh lamha Jo guzra Teray hi khyalon main
Woh shamain Jo beeti Teri hi bahon main
Woh ankhon main ankhain yun daal ke jab dekhna
Aur sharma ke tera meray seenay me yun chupna

Yeh kesa Hamara yeh pyar hai
Sharam waram ka na lihaz hai
Tum meri aor main tera
Aor baki kia ab yeh jahan hai
Sari dunya main ek tu hai
Husn jiska jesay ik hoor hai
Nahi jeena is dunya main
Leja mujhe tu O re Piyaa...
Yeh dil tera hogya
Tu meri subha ki roshni
Aor raton ka woh chand
Teri sanson ki garmi khenchay mujhe tere paas
Teri madham si ankhain

Kar dain mujhe beqarar

O Mahiyaa..

O Mahiyaa..

O Mahiyaa..

O Mahiyaa..
