

Bu\$Hleaguer

Pearl Jam

How does he do it? How do they do it? Uncanny and immutable
This is such a happening tailpipe of a party
Like sugar, the guests are so refined A confidence man, but why so beleaguered?
He's not a leader, he's a Texas leaguer
Swinging for the fence, got lucky with a strike
Drilling for fear makes the job simple
Born on third, thinks he got a triple Blackout weaves its way through the cities
Blackout weaves its way through the cities
Blackout weaves its way I remember when you sang
That song about today
Now it's tomorrow and
Everything has changed A think tank of aloof multiplication
A nicotine wish and a columbus decanter
Retrenchment and hoggishness
The aristocrat choir sings
"What's the ruckus?"
The haves have not a clue
The immenseness of suffering
And the odd negotiation, a rarity
With onion-skin plausibility of life
And a keyboard reaffirmation Blackout weaves its way through the cities
Blackout weaves its way through the cities
Blackout weaves its way I remember when you sang
That song about today
Now it's tomorrow and
Everything has changed.
