

# We Three (My Echo, My Shadow and Me)

[Paul McCartney](#)

We three, we're all alone, living in a memory  
My echo, my shadow and me  
We three we're not a crowd, we're not even company  
My echo, my shadow and me  
What good is the moonlight, the silvery moonlight  
That shines above  
I walk with my shadow,  
I talk with my echo but where is the one I love  
We three, we'll wait for you  
Even till eternity  
My echo, my shadow and me  
We three, we're all alone, living in a memory  
My echo, my shadow and me  
What good is the moonlight, the silvery moonlight  
That shines above  
I walk with my shadow,  
I talk with my echo but where is the one I love  
We three, we'll wait for you  
Even till eternity  
My echo, my shadow and me
