

# Sweet Mary

## Moray Eel

Where are you now  
that my sweet Mary done died  
Alone, alone, alone  
Somewhere you say  
where my sweet Mary  
Held her grave  
in her arms  
like an infant odyssey

Well you can  
hush my little darlin'  
don't you cry  
Hush beneath the dreams  
we did roam  
cause I do believe  
it will be  
just like the color when  
the purple sings  
When I will know  
for sure.

She was held to the blade  
laid down my sweet Mary dear  
She laid down upon  
the cold winter's floor  
and I remember what she said  
when she saw the snow turn  
to red  
She said lord let me be the lord  
Let me be the lord

Well you can  
hush my little darlin'  
don't you cry  
Hush beneath the dreams  
we did roam

Cause I do believe it will be  
just like the color when  
the purple sings

when yes this angel  
will cover usâ€¦.
