

# Sugah Daddy

[D'Angelo](#)

It's just the way she's so raw and uncut  
She needs a spankin' to shake her up  
And I just wish that I could open her up  
To this deeper place of love  
High priced snake skin on her arm (oooh)  
Lace satin covering up her charms  
You shoulda seen the way they tossed and turned  
The way she made the congregation squirm[CHORUS]  
Girl's got a worldly view  
Apparently she sees through you  
Her love was never meant to share for two  
She said I'll do it if you'll be my sugah daddy  
Take a note from my philosophy  
I'ma give her what she need  
Can't snatch the meat out of the lioness' mouth  
Sometimes you gotta just  
Ease it out  
I give her a pacifier  
I fill my baby's crib with all the sweetness Daddy wants to give  
And when it comes to rocking her to sleep, I'll never tire  
This is the way I pat my baby on the butt  
She had me hooked with only just one glance  
She need a spankin', baby, that's wussup  
Lawd, Lawd  
You say you wanna be the one she chooses to star in her meaningless romance[CHORUS]  
Girl's got a worldly view  
What's a sassy girl to do  
And if the decision was left up to me  
You best believe that I would be her sugah daddy  
Brown eyes that will make you blue  
Eyes that'll see right through you  
She crossed her fingers when she said her vows  
She said I promise that I'll sock it to you, Daddy  
Oh won't you give me some please  
So I take the child to my crib  
I ain't gonna tell you what we did  
I hit it so I made the pussy fart  
She said it's talkin' to ya, talkin' to ya, Daddy!
