Hills (On Syrup)

Classic Jigga

Hills - by Classic Jigga

Classic Jiggas got deals on hills.
hills, hills, hills...

Boy Iâ€™m Major
I walk around with Extra Billy Clubs.

I want to live in Cemetery Hills,
So my Tigers can sit on hay.

I got so many Little Devils roundâ€™ my Wheat field
Rebels Yell...

Classic Jigga got deals on hills.
hills, hills , hills...

If Gettinâ€™ arrogant on Chocolate Hills goes dry...
you can toss Chocolate Kisses at the New Command.

Suits that wanna torch whips to take my Campaigns...
can scale up a lime tree to my Provincial Flag.

Classic Jigga got deals on hills.
hills, hills , hills...

Im the largest Man made rapper alive.
Im Blackstrap Ski hill with daggers.

Im Man Made Berg up on Mount GushMore.
My Monk Mountaineers just finished the Championship.

Classic Jigga got deals on hills.
hills, hills , hills...

Capital Hill bitting into a big Juicy Hamburger hill.
While Parliament hills dirt covers Vatican hill.

Kremlin hill still wont Bunker Hill...

All along, Nob hill is still One Tree hill.

Classic Jigga got deals on hills.
hills, hills , hills...

Sparrow Hills is now named Kettle hills...
Everyday burials for San Juan at Trinity.

-Repeat twice-
