How Can I?

Lea Salonga

(Ryan Cayabyab)How can things go wrong
When you're here with me
All of time and space would stop
They'd stop for you and meHow can we go wrong
We're like words within a song
Perfect rhyme and perfect time
And perfect harmonyNow our words have lost their way
And all they seem to say
You don't intend to stay with me
Tell me why
When we have come this far
We're happy as we are
But nowHow can I feel right
When you're not by my side
Strange that I'm here all alone
As I recall the happy times
The happy songs, the perfect rhymes
How can I go on
How can I move on
How can I, how can I
Without youNow our words have lost their way
And all they seem to say
You don't intend to stay with me
Tell me why
When we have come this far
We're happy as we are
But now, nowHow can I feel right
When you're not by my side
Strange that I'm here all alone
As I recall the happy times
The happy songs, the perfect rhymes
How can I go on
How can I move on
How can I, how can I, how can I
