

# Devout

## Gletscher

Gone away  
Gone away  
I miss you  
All the way, will I see you again?  
Sitting here  
Sitting here  
The car is outdoors  
When you come back, we'll get away Then the alarm went off  
Alarms went off  
I heard it  
I hope to God I don't hear gunshots  
And the windowpane is closed  
The way some violence  
Sings pretty sirens in the distance closing in  
Blending in the casualty shrieking  
Casually, I headed for the highway Sold you out  
Sold you out Told them all the things that you had done Sold you out  
Sold you out Tell me all the things that you had done You were so devout  
You were so committed to me  
Then I got away I was right outside  
Going to drive away  
Ready to split the money equally
