## Plies

Something finna happen bih, I can feel it bih [x2]I'm para para para para noid

I'm para para para para noid

Deze hoes got me paranoid

Deze niggahs got me paranoid

Da police & da muthafuckin feds got me paranoid[Verse 1:]

Muthafuck da world

Cuz da world is evil

Just bought me a new 40

I call dat bitch da sequel

Dat why I don't goto church

Cuz I cant trust the preacher

I don't fuck hoes at my house

Cuz I can't trust dem neither

I see a car wit 10 on it

I think its dem people

Cuz keep yo shit 100

Dat shit must be illegal

Da feds dun picked up 20 niggahs

Now dey got me peepin

I heard dem niggahs rob

Dat why I keep on reachin

And while I'm ridin dolo

Cuz muhfuckas sneaky

I don't talk around niggahs

Dats how shit be leakin

I keep behind dem toolies

I got my fuckin reasons

And why I ain't superfriendly

Cuz bitch I ain't no deacon[Chorus][Verse 2:]

A niggah called my phone

I feel he tawkin crazy

Tawkin bout his plug

And how he can whip a baby

I hung up on dat niggah

Well bitch dis ain't da 80's

I bet I hit you long

And dat ain't how you play me

A bitch dat stop my car

Tawkin bout she pregnant

bitch you tryna come up  
I don't understand dat language  
Cuz me & you never fucked  
Ain't never got you naked  
You sucked my dick & jacked me off  
And after dat I fainted  
bitch you picked the wrong one  
Cuz I can make you famous  
I cant trust deze hoes  
I don't know what dey thinkin  
Police lurkin hard  
Got me scared to drive  
Oprah tried to pull me  
I'm paranoid at high[Chorus][Verse 3:]  
Who da fuck to trust  
Cuz friends done got shady  
Cuz one of my lil homies  
Fuck my other dawg lady  
I ain't gone tell him shit  
Cuz he gone think I'm hatin  
My cousin robbed his big brother on 380  
Da streets done got slow  
So everybody taken  
Most of da niggahs in da county  
Got everybody shaken  
Dem niggahs droppin names  
Dependin what dey facin  
Its 4o'clock in da morning  
I'm in da crib pacin  
Nobody out here is safe  
Cuz shit out here ain't gravy  
Cuz dawgs been crossin dawgs  
Dats da shit dat been goin on lately  
Everybody got a mask  
bitch out here like jason  
I can be in da bed  
Got dat bitch on safety[Chorus]
