

Ordinary Girl

Alus

Advisory - the following lyrics contain explicit language:

Boy

When's the last time you took me
where you promised we would go out?

Talking all that shit

Steady frontin with ya boys

Lookin at me with your hand out

Baby you could put that hand down

We ain't even like that You gotta put in work baby work

If you wanna come in first

Step it up show your worth

Or I'm gone, I'm gone Hey

Don't try to play me, no way

You know I ain't for them games

Don't you treat me like no ordinary, ordinary girl

Babe

You know you're gonna lose me

If you don't meet me half way

Don't you treat me like no ordinary, ordinary girl Aye boy

You be saying that you love me

but I know that it's all lies

All lies

Cause you don't ever show me

When all I ever do is try

But you don't ever give back

You don't love me like that You gotta put in work baby work

If you wanna come in first

Step it up show your worth

Or I'm gone, I'm gone Hey

Don't try to play me, no way

You know I ain't for them games

Don't you treat me like no ordinary, ordinary girl

Babe

You know you're gonna lose me
If you don't meet me half way
Don't you treat me like no ordinary, ordinary girl
You could tell me its over
Swear you won't catch me crying
Don't look back when its over
Cause I'm not some ordinary girl
Cause I loved you
Hey
Don't try to play me, no way
You know I ain't for them games
Don't you treat me like no ordinary, ordinary girl
Babe

You know you're gonna lose me
If you don't meet me half way
Don't you treat me like no ordinary, ordinary girl
Hey
Don't try to play me, no way
You know I ain't for them games
Don't you treat me like no ordinary, ordinary girl
Babe

You know you're gonna lose me
If you don't meet me half way
Don't you treat me like no ordinary, ordinary girl
