

What It's Like to Be Me

[Kellie Coffey](#)

I already know, I already see
You've already given away the big secret you keep
It's that smile unmistakable smile, that you try but can't hide
Now you know what it's like to be me You've fallen, you're stallin'
Your back's to the wall
You're afraid to come clean
Now you know what it's like to be me Look into my eyes, baby can't you see
I only get a couple of hours of sleep between dreams
About you, yeah they're always about you
I can tell your surprised, now you know what it's like to be me You've fallen, you're stallin'
Your back's to the wall
You're afraid to come clean
Now you know what it's like to be me You're afraid, and I won't feel the same
You think I don't know what it's like
But that's just what it's like to be me What it's like to be me
You've fallen, you're stallin'
Your back's to the wall
You're afraid to come clean
Now you know what it's like to be me To be me, yeah
What it's like to be me, oh yeah, oh
To be me, what it's like to be me, to be me
