Acapella

The Futureheads

I gotta go
I gotta go
Acapella-a
I gotta go acapella, acapella, a-a-a-a-a-a-acapella
Your tempo keeps changin' on me
We could never keep the beat
Your not the same-same guy
Who swept me off my feet
We're way-way pass the fade
We dreamt it out too long
The-the-the wait is over
But the show must go on
Oh Oh Oh Oh Oh
I feel like a million bucks
Oh Oh Oh Oh Oh
Cause' I don't give a...
Spotlight through the door
A-acapella
Solo, I'm a star
A-acapella
Rock it on my own
A-acapella
Oh-Oh-Oh It's my show
I gotta go acapella, acapella, acapella-a
I gotta go acapella, acapella, a-a-a-a-a-a-acapella
This aint no rocket science
Don't need to complicate
When the L-L-Lights go out
You turn to exit stage
It's my time to shine
It feels so good to be free
Can do whatever I want

And I'm just doin me
Oh Oh Oh Oh Oh
I feel like a million bucks
Oh Oh Oh Oh Oh
Cause' I don't give a...
Spotlight through the door

A-acapella
Solo, I'm a star
A-acapella
Rock it on my own
A-acapella
Oh-Oh-Oh It's my show
I gotta go acapella, acapella, acapella-a
I gotta go acapella, acapella, a-a-a-a-a-a-acapella
Aca-capella Aca-capella
Oh Oh Oh Oh Oh
Aca-capella
Oh Oh Oh Oh Oh
Aca-Cause I don't give a ...
Spotlight through the door
Solo, I'm a star
Rock it on my own
Oh-Oh-Oh It's my show
Spotlight through the door
A-acapella
Solo, I'm a star
A-acapella
Rock it on my own
A-acapella
Oh-Oh-Oh It's my show
I gotta go acapella, acapella, acapella-a
I gotta go acapella, acapella, a-a-a-a-a-a-acapella
