Deep Enough

Velozes Furiosos

Deep enough for you
Deep enough for you
Deep enough for you
Deep enough for you
We hit the room, me and my crew and it was cool
Until we bumped into you now it's been years
But there you were like a Mustang
Redlinin' every single gear with a man
That danced like he was born in '49
But lost his groove back in ancient times
I wanna know are those replacement hips?
Is that a swatch watch? Do you know what time it is?
Does he run it deep enough
To take you there?
Does he run it deep enough
Oh, tell me baby
Does he run it deep enough?
Tell me, tell me
Does he run it deep enough?
Does he run it deep enough for you?
We hit a couch, the place was packed with sweaty palms
Sweaty thongs, and sweaty backs my mouth was dry
My brain cold high, the groove was right
So I decided to ignite your eyes met mine
You skirt began to rise and so did I
Now you know that I took that prize
In the middle of the club, in the middle of the club
In the middle of club, now tell me

Does he run it deep enough
To take you there?
Does he run it deep enough?
Oh, tell me baby
Does he run it deep enough?
Tell me baby
Does he run it deep enough?
Does he run it deep enough for you?
Does he run it deep enough
To take you there?

Does he run it deep enough
Oh, tell me baby
Does he run it deep enough
Oh tell me, tell me
I'm just a jealous guy
I'm just a jealous guy
Does he run it deep enough
To take you there?
Does he run it deep enough?
Oh, tell me, tell me
Does he run it deep enough?
Tell me, baby
Does he run it deep enough?
Does he run it deep enough?
Does he run it deep enough?
Jealous guy, just jealous guy
