

Crazy

Ray J

Baby you don't know about me
'Cause if you did you wouldn't be
Acting like you are too good for me
And everybody knows my name
And everybody's callin' you crazy
Stop and think where you need to be
Girl why you sayin' you don't want me when I know you do
You frontin' when you know you want to make your move
Stop playin' the fool, anything that you want with me

[Chorus:]

It's crazy, 'cause everywhere I go they screamin' Ray J
Baby just in case you didn't know, you know
That once you've been with me you'll never want to leave
It's crazy, every shorty wants to be my lady
Baby just in case you didn't know, you know
That once you've been with me you'll never want to leave

If I change my mind about you
Guarantee there's one thing I won't do
That's give a second chance to you
So if you're really checkin' for me
The time is now for you and I to be
Together doin' things my way
Girl why you sayin' you don't want me when I know you do
You frontin' when you know you want to make your move
Stop playin' the fool, anything that you want to do

[Chorus:]

Girl if you could have this chance
You should come and take my hand
And stop the games, 'cause I know the right things to do
I'll show you how good lovers could be
If you just believed in me, you'll see that
I'm the one for you

[Chorus: Repeat 2X]

If you feel me and you thinkin' that I'm hot, say hot

And if you really diggin' what I'm doin' don't say stop
Stop tryin' to make me feel like we can't reach the top
Baby come lemme know if we can make it pop
Baby come lemme know if we can make it pop

[Chorus: Repeat 2X]
