I Want To Wanna Wake Up

Huntress

I have dreams of what I used to be
Lifetimes fail and fall
I always leave them all behindI'm in pain but I hurt you worse
Save yourself from me, stop the torture and deceitSince the day I was born, I transformI'm packing it up
I want to wanna wake up
Bound to the trouble that I've made
I want to wanna wake up
I can't get away
Years drift by and I forget
How to play the game
I will find another nameNo regrets, I want revenge on my headI'm packing it up
I want to wanna wake up
Bound to the trouble that I've made
I want to wanna wake up
I can't get awayShaft-shifting life away
Mutations and the sadness turning brings
I want to wanna wake upI'm in pain but I hurt you worse
Save yourself from me, end the torture finallySince the day I was born, I transform
I'm packing it up
I want to wanna wake up
Bound to the trouble that I've made
I want to wanna wake up
I can't get awayShaft-shifting life away
Mutations and the sadness turning brings
I want to wanna wake up
