

It's Me Bitches

Swizz Beatz

It's me bitches

Come on, come on, come on, shut down Chillin in my beamer, listenin to Ether

Bumpin through your speakers, know I got the heaters

Rockin dont stop, I get the rockin, dont stop

I'm bangin em beats, you know I like that hip hop, stop Freeze, you know who it is, it's me bitches Smoke good,
eat good, drink good, fuck good

Come into the club stuntin like you should

My shit on fire, I dont need no gasolina

Im comin through your block with the Deuce 2-Seater Ring the alarm, man, call me the sand man

When I drop beats Im the 'One Man Band Man'

Cash rules everything around me, cream

Get the money, dollar, dollar bills, ya'll fuck em Freeze, you know who it is, it's me bitches Vida loco, flyin
through popo

See me in that four door, that Bentley, Espoka

Bumpin through your speakers, know I got the heaters

eat good, drink good, fuck good

Come into the club stuntin like you should

My shit on fire, I dont need no gasolina

Im comin through your block with the Deuce 2-Seater Ring the alarm, man, call me the sand man

When I drop beats Im the 'One Man Band Man'

Cash rules everything around me, cream

Get the money, dollar, dollar bills, ya'll fuck em Freeze, you know who it is, it's me bitches
