

# Love's Got a Hold On My Heart

## Steps

(Heart, heart, heart, heart, heart, heart)  
Love's got a hold on my heart  
(Love's got a hold on my heart)I'm calling out  
Won't somebody out there hear my SOS  
(SOS)  
Throw me a life line please, and save me  
There's no doubt  
Baby, you took me prisoner I confess  
When you crossed my defenses  
And captured my heartNow it's too late to put up a fight  
I thought I was strong but as hard as I try  
Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart  
(My heart, my heart, heart, heart, heart)  
(Love's got a hold of my heart)There's no escape  
(There's no escape)  
Now I'm like a damsel in distress  
Trapped in this fairy tale forever  
(Ooh ooh)  
And no mistake  
Its tragic but I'll have to face the truth I guess  
And live ever more resigned to my fate'Cos now it's too late to put up a fight  
I thought I was strong but try as I might  
Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart  
Yeah, yeah, love's got a hold on my heartHold on my heart  
Hold on my heart  
(Love's got a hold on my, its got a hold on my heart)  
(Heart, heart, heart, heart, heart, heart, heart, heart)  
Oh oh  
(Heart, heart, heart, heart, heart, heart, heart, heart)  
Yeah, oh ohAnd now it's too late to put up a fight  
I thought I was strong but try as I might  
Can't break away  
Darling, there's no way out

Nothing can help me now  
Love's got a hold on my heart Can't break away  
Darling, there's no way out  
Nothing can help me now  
Love's got a hold on my heart, ooh ooh  
Love's got a hold on my heart
