

Hard Times

Trey Songz

Girl it's been about 3 weeks
Since you came to see me
I get it I get it, you ain't ready tryna fall (I know)
But damn, you could answer my calls (damn)
No matter how long it takes
Girl you know, girl you know
No matter how far you try to run away
I'll be close I'mma let you up in these thoughts of mine
Who you've been giving all your time?
Girl a love like mine is hard to find, and you
You give me such a hard time Girl tonight it's gon' be all mine
All mine
And I'm on it you gon' wake up fast
Damn he gave me a hard time (hard time)
Hard time, hard (hard)
Hard, hard times
Hard, hard times
Hard, hard times (hard) It done been about 3 weeks
Since I had your knees weak
Said you were coming back, coming back
What happened to that?
Is it too good, did I hit it too good?
I made you run from that
You gon' take it all, make you shake and shift
'Cause you be acting fickle all
I'mma make you ride it
Like a bicycle
When you say you coming through
Won't you come?
'Cause every time you come, don't you come Ooh these thoughts of mine
Who you've been giving all your time?
All your time
Girl a love like mine is hard to find, and you
You give me such a hard time Girl tonight it's gon' be all mine
All mine
And I'm on it you gon' wake up fast
Damn he gave me a hard time (hard time)
Hard time, hard (hard)
Hard, hard times

Hard, hard times
(hard, hard)
(hard)It done been about 3 weeks, that's 500 hours
Since I had you in the club with the bottles
Man I swear we stunting out all
to the crib, tub, shower
D'usse in our system
that's when you say you gon' (go down)
And I can't let you do that all alone (I'ma go down)
Like lalalala lalalalalala
Tongue kissing on your lips, way down below
Girl let me be your sex hero
I'm just letting you know These thoughts of mine
Who you've been giving all your time?
Girl a love like mine is hard to find, and you
you give me such a hard time Girl tonight it's gon' be all mine
All mine
And I'm on it you gon' wake up late
Damn he gave me a hard time (hard time)
Hard time, hard (hard)
Hard, hard times
Hard, hard times
Hard, hard
Hard time, hard It done been about 3 weeks
It done been about 3 weeks
It done been about 3 weeks
