

Thank You Very Much (DJ Tr-Meet Remix)

Margaret

Space calling earth again
Say what
Houston this is the end
Were lost
Tick tick tick tack
Times up
Station is shutting down
Bad luck Barberella meets godzilla
Since you invited both, cling to your pantyhose I want to Thank you much
Thank you very Much
Thank you very much
I wanna say Im sorry but Im really not
Guess Ive had enough
Im feeling Dangerous
I wanna say I care, but Im gonna say Fresh out of graitude
Its gone
You suck, like your attitude
I won
Flake, flakey flakey flake
So sad
I am stirred, but I will not shake
Its rad Barbarella she's a killer
Run to your nanny go, cling to your pantyhose I want to Thank you much
Thank you very Much
Thank you very much
I wanna say Im sorry but Im really not
I guess Ive had enough
Im feeling Dangerous
I wanna say I care, but Im gonna say bout this thrill in Manilla
What goes around my friend, bites you right at the end I want to Thank you much
Thank you very Much
Thank you very much
I wanna say Im sorry but Im really not
I guess Ive had enough
Im feeling Dangerous
I wanna say I care, but Im gonna say Thank you very Much
Thank you very much
I wanna say Im sorry but Im really not
I guess Ive had enough

Im feeling Dangerous
I wanna say I care, but Im gonna say No, No, No, No...
No Thanks, No Thanks
I want to Thank you much
