

Near You

[Tammy Wynette](#)

There's just one place for me
Near you
It's like Heaven to be
Near you Times when we're apart
And I can't face my heart
Say you'll never stay
More than just two lips away If my hours could be spent
Near you
I'd be more than content
Near you Make my life worth while
By telling me that I'll
Spend the rest of my days
Near you Near you, near you
Make my life worth while
By telling me that I'll
Spend the rest of my days
Near you
Spend the rest of my days
Near you
