Uma Thurman (Fall Out Boy vs. Didrick)

Fall Out Boy & Didrick

I can move mountains
I can work a miracle, work a miracle
Oh, oh, I keep you like an oath
May nothing but death do us partShe wants to dance like Uma Thurman
Bury me till I confess
She wants to dance like Uma Thurman
And I can't get you out of my headThe stench, the stench, of summer sex
And CK eternity, oh hell yes
Divide me down to the smallest I can be
Put your, put your v-v-v-venom in me
I can move mountains
I can work a miracle, work a miracle
Oh, oh, I keep you like an oath
May nothing but death do us partShe wants to dance like Uma Thurman
Bury me till I confess
She wants to dance like Uma Thurman
And I can't get you out of my headThe blood, the blood, the blood of the lamb
It's worth two lions, but here I am
And I slept in last night's clothes and tomorrow's dreams
But they're not quite what they seemI can move mountains
I can work a miracle, work a miracle
Oh, oh, I keep you like an oath
May nothing but death do us part
You'll find your way
And may death find you alive
Take me down the line
In Gem City we turn the tide
You'll find your way
And may death find you alive
Take me down the line
In Gem City we turn the tideShe wants to dance like Uma Thurman
Bury me till I confess
She wants to dance like Uma Thurman
And I can't get you out of my headI can move mountains
I can work a miracle, work a miracle
Oh, oh, I keep you like an oath
May nothing but death do us partI can move mountains
I can work a miracle, work a miracle
Oh, oh, I keep you like an oath

May nothing but death do us part
