# Carry Me

## Josh Wilson

I try to catch my breath
It hasn't happened yet
I'm wide awake in the middle of the night scared to death
So I prayed God, would You make this stop
Father please hold on to me, You're all I've got

Carry me, carry me, carry me now
From my sinking sand to Your solid ground
The only way I'm ever gonna make it out
Is if You carry me, carry me, carry me now
God carry me, carry me, carry me now

Jesus calm my heart
Come near me please
Lord don't let these worries get the best of me
Oh I believe, that You're still here with me
Cause You meant what You said when You said You'd never leave

Carry me, carry me, carry me now
From my sinking sand to Your solid ground
The only way I'm ever gonna make it out
Is if You carry me, carry me, carry me now
God carry me, carry me, carry me now

Carry me
God carry me
Carry me
God carry me

I'm at the end of myself
I know I've got nothing left
Feels like I'm stuck in the valley of the shadow of death
And I've been down here so long
I just can't find my way out
Oh God I don't stand a chance
Unless You carry me now
God carry me now

Carry me, carry me, carry me now
From my sinking sand to Your solid ground

The only way I'm ever gonna make it out
Is if You carry me, carry me, carry me now
God carry me, carry me, carry me now

Carry me now
Carry me now
Carry me now
Carry me now
