Choose

Done Lying Down

Ahh, yeah, ah, ah, yeah
Choose, you wanna make me choose
You got to show me something now
Why I should be with you?
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
Not easily impressed, no
Not settling for less, no
You want me to say yes, oh, well
You better bring your best, no
Help me make up me mind, ah
Prove that you're worth my time
Give me a reason why it should be
With you tonight, baby
Make me believe it's all you
No matter what they all do
Don't want to play no games
I won't tease you and I won't stall you
But don't you think it's all you
If you want sex then it's all good
And no, I don't want your number
And no, I don't want to call you
Choose, you want to make me choose
You got to show me something now
Why I should be with you?
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
Make me believe it's all you
No matter what they all do
Don't want to play no games
I won't tease you and I won't stall you
But don't you think it's all you
If you want sex then it's all good
And no, don't want your number
And no, don't want to call you

Choose, you wanna make me choose
You got to show me something now
Why I should be with you?
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You got to show me something now
Why I should be with you?
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
You wanna make me choose
