Crazy

Eiffel 65

I'm Going Crazy.....The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, YeahBecause The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To MeThe Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, YeahBecause The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To MeI'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy NowI'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy NowThe Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, YeahBecause The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To MeThe Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, YeahBecause The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To MeI'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
