

# Crazy

## Eiffel 65

I'm Going Crazy.....The Colours I Breathe  
Are The Colours I Need  
The People I See  
Are Just People Like Me, YeahBecause The Things That I See  
Are Not Chosen By Me  
The Things That I See  
Are The Things On TV Coming Back To MeThe Feelings I Breathe  
Are The Feelings I Need  
The Lives That I Live  
Are The Ones On The Screen, YeahBecause The Things That I See  
Are Not Chosen By Me  
The Things That I See  
Are The Things On TV Coming Back To MeI'm Going Crazy, I Am Going Crazy  
Everybody's Crazy, Everyone's A Little Crazy  
I'm Going Crazy, I Am Going Crazy  
Everybody's Crazy NowI'm Going Crazy, I Am Going Crazy  
Everybody's Crazy, Everyone's A Little Crazy  
I'm Going Crazy, I Am Going Crazy  
Everybody's Crazy NowThe Colours I Breathe  
Are The Colours I Need  
The People I See  
Are Just People Like Me, YeahBecause The Things That I See  
Are Not Chosen By Me
