No Witness

LP

How do I get you out of my head?
How do I get you back to my bed?
Oh lord, oh lordTell me you're crazy, tell me you're scared
Tell me you still love what you had
Oh lord, oh lordWhen there's no more sins to care about
And the hard rain dark times pour on down
When it's all been said and done
No one can save meOh, bear me no witness, hear me now
Oh, bear me no witnessTell me how many highs can get us so down
'Cause it don't matter how many times we go 'round
Oh, bear me no witness
No one can save me, love me or hate me
I'll keep on waiting, nothing I won't doTake you, my love like a street cut drug
Never know what you're really made of
Oh lord, oh lordWhen there's no more sins to care about
And the hard rain dark times pour on down
When it's all been said and done
No one can save meOh, bear me no witness, hear me now
Oh, bear me no witnessTell me how many highs can get us so down
'Cause it don't matter how many times we go 'round
Oh, bear me no witnessNo one can save me, love me or hate me
No one can save me, love me or hate me
No one can save me, love me or hate me
No one can save me, love me or hate me
When there's no more sins to care about
And the hard rain dark times pour on down
When it's all been said and done
No one can save meOh, bear me no witness, hear me now
Oh, bear me no witness, ohOh, bear me no witness, hear me now
Oh, bear me no witness, hear me now
Oh, bear me no witness, hear me now
Oh, bear me no witness
