Catch 22

Spouse

I was totalling the damage from the time you drove away.
After crashing into my head with the things you had to say.

You can't believe I was that got away.
I can't believe I was the one who had to stay, so long,
so long.

I was running out of space for all the things I need to do.
You were telling me to stop while I was telling you the truth.

You can't believe I was the one that got away.
I can't believe I was the one who had to stay so long,
so long.

You can't believe I was the one that got away.
I can't believe I was the one who had to stay.
You can't believe I was the one that got away.
I can't believe I was the one who had to stay,
So long, So long, So long, So long.

I was rushing out to greet you with my hands across the floor.
You were racing to the phone while I was crawling out the door.

You can't believe I was the one that got away.
I can't believe I was the one who had to stay, so long
so long.

You can't believe I was the one that got away.
I can't believe I was the one who had to stay.
You can't believe I was the one that got away.
I can't believe I was the one who had to stay so long,
so long. So long. So long. So long. So long. So long. So long.
